This flowsheet is based on a complete ArchE degree plus the following Civil courses: CE 3334, 3500, 2601, 3116, and 31116. This is one possible schedule, showing how the 2 degrees could be completed in 9 semesters. It is not necessarily the ideal schedule for a specific student.

All students are required to complete an Experiential Learning activity prior to graduation.

This flowsheet is based on the current catalog for up to date requirements and refers to individual degree audits for official progress.
